

## 2009 HOMEOWNER REFERRAL PROGRAM

The CF Vatterott Team would like to thank you for choosing to own a CF Vatterott home. Whether you have just moved in or have been enjoying your new home for a while, we are delighted to have you living in a CF Vatterott home.

We trust that as your friends and family visit your new home, they may also consider building a new CF Vatterott home. We've seen this happen many times in our 90 year history.

Our 2009 Home Owner Referral Program rewards our existing homeowners and their friends! At the bottom of this letter you will find a valuable certificate that you may give to someone you know who might be shopping for a brand new home.

When they choose CF Vatterott, we will give *them* \$1000 in free options as a result of your referral. Upon closing, we will thank *you* with a \$500 Visa Gift Card.

Your second referral (within the calendar year) will earn you another \$500, and your third another \$500 – you get the idea! So please share this special incentive with your friends – you might even choose your new neighbors!

Please visit our website – [www.VatterottHomes.com](http://www.VatterottHomes.com) – to see our communities throughout the Greater St. Louis area.

Please credit my\* friend \_\_\_\_\_ \$1000 toward their optional features in their new CF Vatterott home!
