CF. Vatterott Construction Co. donates \$500 to Backstoppers Inc. as part of ongoing home buying promotion

Gregory Echols, community sales manager at West End Estates (right) presented a check for \$500 to fireman Roderick Wilson and his captain Lamar Vaughn at engine house #17 located at 3238 Dr. Martin Luther King Drive. Fireman Wilson is the first recipient in Vatterott's new home buying incentive that directly benefits the St. Louis Backstoppers. CF. Vatterott will donate \$500 to Backstoppers Inc. for any St. Louis City Police, Fire or Rescue personnel who purchase a new home in one of their six city communities.

"We want to thank Fireman Wilson for allowing CF. Vatterott to build his new home and thank all the men & women of engine house #17 for their commitment & service to the St. Louis community. Our goal with this promotion is to build awareness of quality and affordable CF. Vatterott new homes available in the City of St. Louis and hope this program will lead to additional support for the Backstoppers. With the current tax credits, historically low mortgage rates and excellent builder promotions there is no better time to buy a new home than right now", says Gregory Echols.

"We are proud to support such a worthy cause, honoring our public servants who make the ultimate sacrifice in the line of duty, and we are honored to count many police, fire and EMT personnel as Vatterott homeowners throughout our decades long involvement in the City of St. Louis", says Greg Vatterott, President of CF. Vatterott.

CF. Vatterott Construction Company is celebrating its 90th year. Please visit www.VatterottHomes.com to view our four City new home communities, find out more information and to view floor plans, elevations, pricing and virtual tours.
